

LAW & DISORDER

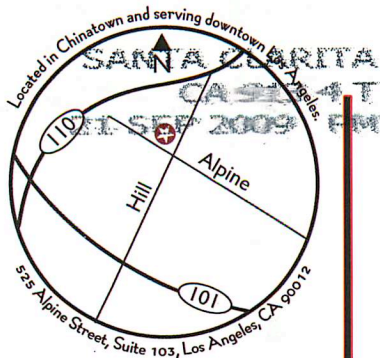

In Los Angeles' justice system there are several competing groups: those who make the laws, those who enforce them & those who break them. These are their stories...

Reception
10/3/2009
6 – 9 pm

This exhibit
highlights the various forces at
work in Southern California's
history of laws, activism and
disorder. It investigates moments
that led to legislative reform, as
well as episodes of vigilantism.
